

SO YOU THINK YOU CAN SUCCEED

YOU CAN SUCCEED

Business men and women - if you really want to fast track your business growth but do not have the time, focus, resources or skills to achieve your goals and realise your opportunities then this forum is for you!

LEARN WHAT IT TAKES

This entertaining and informative forum will help you get there. A panel of five experienced business development experts will talk about what it takes and will provide practical steps on how to become the next business superstar.

A PANEL OF EXPERTS

The forum's panel of experts has the critical ingredients you need. A brilliant Business Strategist, a Financial whiz, a Management mastermind, an IT and Web genius and of course the mandatory Marketing guru. Each of the panel members will present and discuss the five key elements necessary for business success in their area of expertise.

FAST TRACK YOUR GROWTH

Forum participants will learn about the diverse drivers and disciplines required to fast track business growth and will be given real life examples of outstanding business development strategies that have worked. Attendees will be invited to question the panel and may meet confidentially with the panel after the forum to discuss their own business ideas, opportunities and challenges.

BOOST YOUR BUSINESS SUCCESS

Selected forum attendees may be offered the ultimate business boost with an investment of the panel's combined services up to the value of **\$400,000** to accelerate the growth of a suitable business or idea using the panel's proven **Excelerator**© business development program.

THE EXCELERATOR© PROGRAM

Excelerator© is not a loan and no security or equity is required. **Excelerator**© is a satisfaction guaranteed, no risk program funded by sharing the financial rewards achieved on an agreed 'win-win' basis. (The panel members have agreed to offer their services for a percentage of results.) All that is needed is a business or idea which has real potential, your passionate self belief and the desire and dedication to succeed. **The Excelerator**© program can accelerate your business success. Just ask the panel's many satisfied clients about the results they have achieved. Visit www.excelerator.biz for details.
